

WonderQuest Reservation/Cancellation Policy

Nearly everyone involved with the Gainesville Theatre Alliance and WonderQuest can point to a teacher who opened our eyes to live theatre - and we want to make theatre easy and affordable for educators and students.

1. We have a flexible reservation process that allows "best guess" reservations until Sept. 1.
2. When you submit a reservation, you will receive a confirmation of the numbers you have provided and the deposit amount, due on Sept.1.
3. After making your reservation, please call or email the Box Office if your numbers change. We'll be happy to release unneeded seats (until Sept.1) or reserve additional seats as long as we have seats.
- 4. Just like any major theatre, museum or a Braves game, we frequently sell out performances and turn people away to hold your seats; **there are no cancellations or refunds after tickets are purchased on Sept. 1.****
5. Please put teacher names on your checks in case we have several reservations from your school.
- 6. Final balances are due on September 15.**
7. Limited scholarship funds are available for students who are unable to pay for a ticket. Written requests for financial assistance must be sent in with your final payment specifying the number of seats to be covered by scholarship.
