SCBWI Blog

SCBWI is the only professional organization specifically for individuals who write and illustrate for children and young adults. Our mission is to support the creation and availability of quality children's books in every region of the world.

We give established writers and illustrators the tools and resources to manage their careers, as well as educate those just starting out. SCBWI is also proud to serve as a consolidated voice for our members within the publishing industry.

Membership in SCBWI is open to anyone with an active interest in children's literature, from picture books to young adult novels. We welcome aspiring and published writers and illustrators, as well as librarians, educators, artists, students, dramatists, musicians, filmmakers, translators, and others. A passion for children's literature is our number one criterion.
